Course and Registration Information

If you are seeking ICF credits for our *Mindful Allyship Intro Course* or our *Embodied Allyship Advanced Course*, you can receive graduate-level professional development credit through UMass Global. These credits are not part of a degree program but instead are primarily used for professional advancement such as salary increment steps and recertification.

Registration Process

The Registration link for follow up course work is available at:

<https://registration.umassglobal.edu/CourseRegistration.aspx?detailCode=4350>

Once you've successfully registered, you will receive an initial confirmation of registration email with details on how to activate your UMass Global student account. You will need to activate your account to order transcripts.

Your course completion and grade will be provided by Racial Healing Allies™.

Transcripts

Once grades are posted and credits have been awarded, a final confirmation email with details on how to order your student transcript will be sent to you so please read these instructions thoroughly.

Please feel free to call our office at 1-800-632-0094 or contact us via exed@umassglobal.edu with any questions about the online registration process, work submission or ordering transcripts.
