

International Coaching Federation Credential Instructions

If you are seeking ICF credits for our *Mindful Allyship Intro Course* or our *Embodied Allyship Advanced Course*, you will simply indicate this on our pre-course survey after you register. Once you successfully complete the course, we will send you a Certificate of Completion (or Certificate of Partial Completion) which you will use toward your credential renewal or your initial credential. For more information on the credentialing process through ICF, please see the [Credential Renewal Information](#) and/or the [ACC Initial Credential Information](#)
